COPAN
COFFEE LAB.

# BRING COPAN COFFEE LAB TO YOUR EVENT

A full specialty espresso bar on wheels. Our story began in Honduras in 1985, and we've been small-batch roasting in Tomball since 2002.

The Lab is a mobile café from **Copan Coffee Roasters.** We pull up, set up and serve handcrafted espresso, matcha, chai and pour-overs to your guests, made to order by our own baristas. You host. We handle the coffee.

## WHY BOOK THE LAB

### COFFEE FROM THE ROASTER, NOT A RESELLER.

We small-batch roast every bean ourselves in Tomball, and have since 2002. Our story began in 1985 in Santa Rosa de Copan, Honduras.

### A REAL CAFÉ, NOT A FOLDING TABLE.

A fully built mobile café with commercial espresso equipment,so it looks great in photos and keeps the line moving.

### OUR BARISTAS, START TO FINISH.

Trained Copan baristas pull every shot and pour every latte.

### FULLY SELF-CONTAINED.

The Lab brings its own water and power, so it works at venues, offices and backyards.

### YOUR DRINKS, YOUR WAY.

Signature drink names for the couple, the company or the guest of honor. Branded cups on request.

### PASTRIES THAT MATCH THE COFFEE.

Honey & Salt baked goods, served alongside.

### EVERY CUP GIVES BACK.

Coffee for the Wild: 5% of every cup supports wildlife conservation.

### SIMPLE, PUBLISHED PRICING.

Clear packages, no guessing, no pushy sales calls. Setup and teardown included.

### LOCAL AND LICENSED.

A permitted mobile food vendor, based at our Tomball roastery.
